

# GRADUATE SCHOOL OPEN DAY FOR MASTERS WITH THESIS AND DOCTORATE PROGRAMS

The event will be held on ZOOM platform.

12 JUNE 2023 MONDAY

Department and Program Presentations

| time        | Department and Program                           |                                       |  |  |
|-------------|--|---------------------------------------|--|--|
| 10.00-10.40 | Offshore Eng. (MSc)                              | Atmospheric Science (MSc-PhD)         | Data Security Eng.and Cryptography (MSc-PhD) | History of Science And Technology (MSc-PhD)  |
| 10.40-11.20 | Information&Communications Eng. (MSc)            | Geographical Infor.Techno. (MSc-PhD)  | Maritime Transportation Eng. (MSc-PhD)       | Earthquake Eng.(MSc-PhD)                     |
| 11.20-12.00 | Computer Sciences (MSc)                          | Environ.Scienc.,Eng.&Manag.(MSc-PhD)  | Maritime Studies (MSc-PhD)                   | Electronics Engineering (MSc-PhD)            |
| 12.00-12.40 | Computer Engineering (MSc-PhD)                   | Environmental Biotechnology (MSc-PhD) | Industrial Eng. (MSc-PhD)                    | Naval Architecture and Marine Eng. (MSc-PhD) |
| 12.40-13.20 | Disaster Management (MSc)                        | Big Data&Business Analytics (MSc.)    | Instrument and Voice (MSc)                   | Environmental Cont.&Construction Tech.(MSc)  |
| 13.20-14.00 | Science, Technology and Society (MSc)            | Interior Architectural Design (MSc)   | Human Resources (MSc)                        | Geoanthropology (MSc-PhD)                    |
| 14.00-14.40 | Traditional Dances (MSc)                         | Mechanical Design (MSc.)              | Polar Science (English) (MSc)                | Materials Eng.(MSc)                          |
| 14.40-15.20 | Shipbuilding and Ocean Eng. (MSc-PhD)            | Computa.Science and Eng.(MSc-PhD)     | Hydraulics and Water Resources Eng.(MSc-PhD) | Economics (MSc-PhD)                          |
| 15.20-16.00 | Management (MSc) – Business Administration (PhD) | Geophysical Eng. (MSc-PhD)            | Coastal Sciences and Eng.(MSc-PhD)           | Chemical Eng. (MSc-PhD)                      |
| 16.00-16.40 | Biomedical Eng. (MSc-PhD)                        | Mineral Processing (MSc-PhD)          | Electrical Engineering (MSc-PhD)             | Energy Science and Technology (MSc-PhD)      |
| 16.40-17.20 | Industrial Design (MSc-PhD)                      | Solids Mechanics (MSc.)               | Geomatics Eng. (MSc-PhD)                     | Food Eng. (MSc-PhD)                          |
| 17.20-18.00 | Estate Development (MSc.)                        | Thermo Fluids (MSc.)                  | Physics Eng. (MSc-PhD)                       | Urban Design (MSc.)                          |
| 18.00-18.40 | Architecture (Non-thesis) (MSc)                  | Engineering Management (MSc)          | Geodynamics (MSc-PhD)                        | Chemistry (MSc-PhD)                          |
| 18.40-19.20 | Control&Automation Engineering (MSc-PhD)         | Mathematical Eng. (MSc-PhD)           |  |  |

13 JUNE 2023 TUESDAY

Department and Program Presentations

The event will be held on ZOOM platform.

| time        | Department and Program  |   |  |   |
|-------------|---|---|--|---|
| 10.00-10.40 | Management Engineering (MSc-PhD)                              | Geological Eng. (MSc-PhD)                       | Materials Science&Eng. (MSc-PhD)                       | Mechatronics (MSc) – Mechatronics Eng. (PhD)      |
| 10.40-11.20 | Mining Eng.(MSc-PhD)  | Architectural Design Computing (MSc-PhD)        | Molecular Biology-Genetics and Biotechnology (MSc-PhD) | Musicology (MSc) – Musicology&Music Theory (PhD)  |
| 11.20-12.00 | Machine Dynamics, Vibration and Acoustics (MSc)               | Materials and Manufacture (MSc.)                | Nuclear Energy Eng. (English) (PhD)                    | Game and Interaction Technologies (MSc)           |
| 12.00-12.40 | Mechanical Eng.(PhD)  | Music Theory and Composition (MSc.)             | Automotive (MSc.)                                      | Urban Planning (MSc.)                             |
| 12.40-13.20 | Metallurgical and Materials Eng.(PhD)                         | Petroleum and Natural Gas Engineering (MSc-PhD) | Radiation Science&Technology (MSc)                     | Railway Systems Eng. (MSc)                        |
| 13.20-14.00 | Architectural History (MSc-PhD)                               | Polymer Science and Technology (MSc-PhD)        | Art History (MSc-PhD)                                  | Defence Technologies (PhD)                        |
| 14.00-14.40 | Regional Planning (MSc.)                                      | Restoration (Msc-PhD)                           | System Dynamics and Control (MSc)                      | Production Metallurgy and Technologies Eng. (MSc) |
| 14.40-15.20 | Project and Construction Management (MSc-PhD)                 | Textile Eng.(MSc-PhD)                           | Telecommunications Engineering (MSc-PhD)               | Transport Engineering (MSc-PhD)                   |
| 15.20-16.00 | Architectural Design (MSc-PhD)                                | Music (Non-thesis MA-PhD)                       | Nano Science&Nano Eng. (MSc-PhD)                       | Landscape Architecture (MSc-PhD)                  |
| 16.00-16.40 | Construction Sciences (PhD)                                   | Innovative Technical Textiles (MSc)             | Urban and Regional Planning (PhD)                      | Earth System Sciences (MSc-PhD)                   |
| 16.40-17.20 | Political Studies (MSc) – Political and Social Thoughts (PhD) | Aeronautics and Astronautics Eng.(MSc-PhD)      | Structural Eng.(Msc-PhD)                               | Soil Mechanics and Geotechnical Eng. (MSc-PhD)    |
| 17.20-18.00 | Satellite Commu.&Remote Sensing (MSc-PhD)                     | Construction Management (MSc)                   | Sustainability (English) (MSc)                         |   |
